

Overcoming The Past

By: Marty Harrelson

Living for Christ is often difficult. Many lessons have to be learned. Sometimes we don't learn those lessons the first time around. Everyone makes mistakes.

What should we do when we make mistakes? "Forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." (Philippians 3:13,14.)

You should forget all the mistakes in your past. It is impossible to change the past. With God's forgiveness and your self determination, your past can be overcome.

Don't give up on yourself. Keep pressing on. You can win a prize only if you finish the race.

4-H Meet

Mrs. Richardson's girls met in her room January 14, 1986.

Laura Hall, President, called the meeting to order. Following that, the songs were led by Leah Crowe and Loretta Smith. The songs were "God Bless America" and "America." The devotional was given by Mandy Shirley. Then the pledge to the American and the 4-H Pledge were led by Jill Santa Rosa, Vice-President.

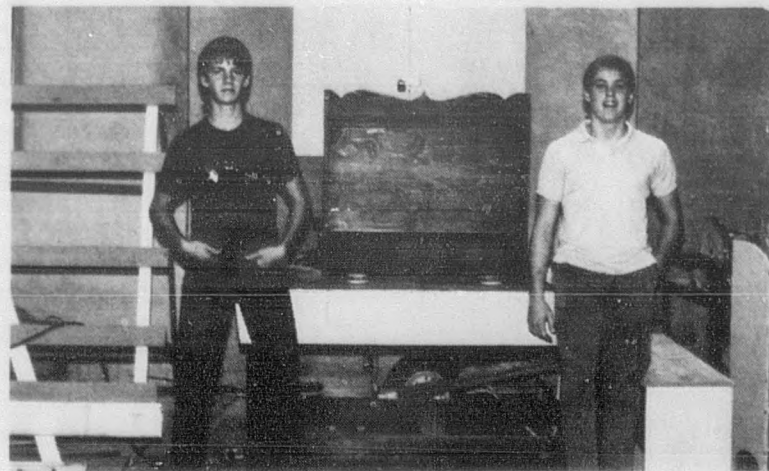

The old business was photography contest: 1st and 2nd place-Scenic-Amy Giles 1st and 2nd place-Animal-Laura Hall 3rd place-Animal-Amy Giles 1st place-Portrait-Heather Stinson

The new business was the poster art contest to be turned in during February. The Meat Judging Team will begin their meetings in February at the Elba Public Library. The Market Hog Show will be held in June.

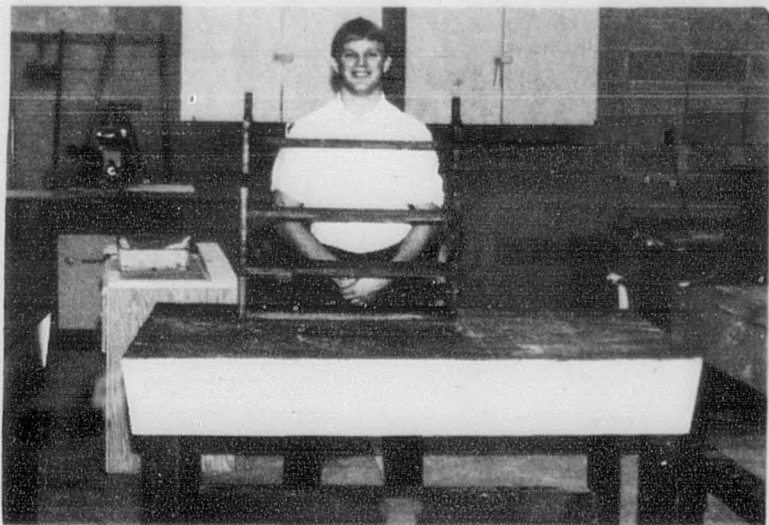

The program was about record keeping. Mrs. Hughes went over keeping a record book and told us what to keep in one and what not to keep in one. She told us what order to keep it in and she also gave us an outline.

The meeting was adjourned until February. Tiffany Tew, Reporter.

Newly Opened Bypass Intersections Concern City Council

The Elba City Council met on Monday, Jan. 27, at City Hall and discussed traffic hazards created by the opening of the new bypass.

Police Chief John Ed White reported a bad wreck had occurred at

the intersection of Claxton Ave. and the bypass and stated that cars traveling north on Claxton had problems because of a steep hill.

"Drivers just can't see far enough ahead to prevent accidents in

some instances," stated Chief White. "I've talked with a highway department engineer and he said a traffic count would be done to see if traffic lights were needed at the intersections, but I don't

believe the count has been done. I am concerned about the safety of our citizens."

Mayor Bob English expressed concern about the merging of lanes at the intersections of the bypass and

said he felt additional signs were needed to inform the public of the change in roadways.

All council members stated they were proud of the bypass, but all echoed similar sentiments about hazards it created. The council instructed Chief White to meet again with highway department officials in an attempt to solve the traffic problems at the bypass and at other sites in the downtown area.

Prescott was asked to study the problem of a lack of parking along the square and reported he had found three possible sites for parking lots. He said he had not been able to secure a set price on the lease or sale of any of the sites, but told the council he would continue to work on the problem and report back.

The three-month review of the city budget revealed the city finances to be in good condition. The police department was slightly over budget, while the street department was a whopping \$11,000 over budget in salaries.

Mayor English told the council the merit raises and cost of living increase would account for \$4,000 of the amount over budget, but stated he had no idea where the additional \$7,000 in salaries had originated. He assured the council he would investigate the department and report back with an answer.

In other action at Monday's meeting, the council: ***announced it would open bids on a street sweeper and a fire truck at its Feb. 10 meeting; ***agreed to look into drainage problems off Taylor Mill Road; and ***approved minutes of the previous meeting.

Elba Rescue Squad

Purchases New

\$45,000 Vehicle

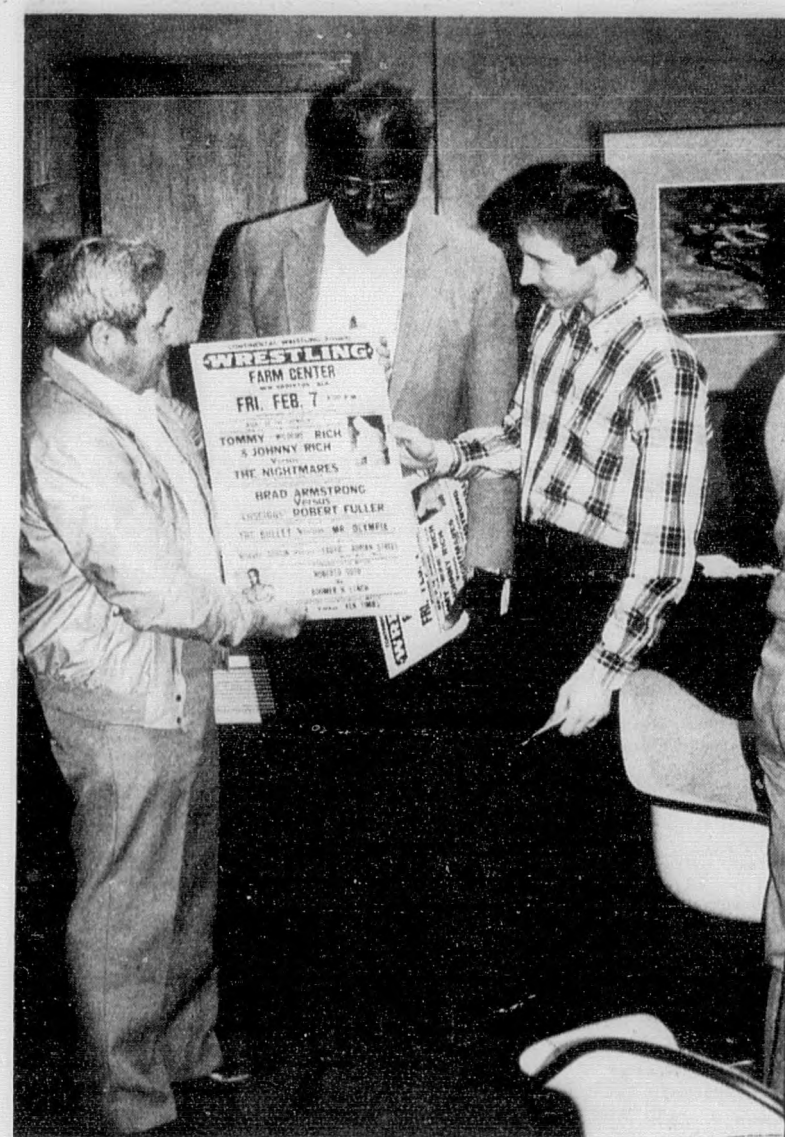

The Elba Rescue Squad recently took delivery of a new \$45,000 vehicle, and rescue squad captain Sonny Inman reports "The Elba Rescue Squad is now as well equipped as any in the state."

The vehicle uses two 20-gallon gas tanks, giving it a 400-500 range, and has a 460-cubic-inch engine. With the addition of the new vehicle, the rescue squad now has three operational vehicles and an equipment truck.

The new vehicle, purchased with existing rescue squad funds, has a module large enough to hold three patients and allow a medic to move around to treat the patients. The module also houses the latest in medical equipment, giving the rescue squad vehicle the medical capabilities of an emergency room.

NEW ELBA RESCUE SQUAD VEHICLE... A brand-new rescue squad vehicle was delivered to the Elba Rescue Squad recently. The modern vehicle gives the local squad a total of three transportation vehicles and is now being used to serve the Elba area.

CRIMESTOPPERS TO SPONSOR WRESTLING... The Coffee County Crimestoppers will sponsor a professional wrestling match Friday, Feb. 7, at the New Brockton Farm Center. Part of the proceeds will go to help sponsor the National Spring Chicken Festival. Pictured, L-R: Fred Moore, Crimestoppers member; Alfred Peavy - Crimestoppers member; and Tom Head, Assistant DA, and chairman of Coffee County Crimestoppers.

Wrestling To Benefit Chicken Festival

If you like to be entertained, see the bad guys lose and help your community, then mark your calendar for Feb. 7, because Crimestoppers' sponsored wrestling is returning to Coffee County.

The time is 8 p.m. and the place is the Coffee County Farm Center in New Brockton. A major portion of the proceeds will go to help fund the Spring Chicken Festival, and if that doesn't give you enough to cackle about, this winning card will.

In the first-place slot will be Tommy Wildfire Rich and Johnny Rich versus The Nightmares in a Southeastern Tag Team Championship Match. Crimestoppers' own Dick Dunn will be the special referee for that match.

Everybody knows when it comes to wrestling, Dick Dunn is the man to make plans, and he has lined up Brad Armstrong and Luscious Robert Fuller for a Continental Title Match in the second place slot.

Next will be a \$20,000 Bounty Match between The Bullet and Mr. Olympia, followed by a Southeastern Title Match between Norvel Austin and Exotic Adrian Street.

Wrapping up the entertainment will be an Alabama Title Match between Roberto Soto and Boomer H. Lynch followed by a U.S. Jr. Heavyweight Championship Match between Tim Horner and Ken Timbs.

Advance tickets are now being sold, so reserve your place early. You may obtain tickets from area police departments.

Whitewater Creek Watershed Project Will Provide Erosion Aid To 78,800 Acres

The Coffee County Commission met in regular session on Monday, Jan. 27, at the courthouse in Elba and unanimously endorsed a Soil Conservation Service plan to establish a watershed district that would include 78,800 acres in north Coffee County.

The project, named the Whitewater Creek Watershed, will include areas along Whitewater Creek and Prestwood Mill Creek and will provide financial aid on a cost-share basis for land-owners plagued with erosion problems.

The approximate watershed area

will include county land from the Pike County line south on Highway 79, straight down the Pea River to where it meets Whitewater Creek in Elba and then back up to Pea Creek up to the county line, with Highway 87 as the western boundary.

Actual work on the project is

expected in three or four years.

In other action at Monday's meeting, the commission:

***approved minutes of the Jan. 13 meeting as read;

***was told the Soil Conservation Service now had two telephone numbers - 894-6332 and 894-2040;

***approved plans to replace a bridge on a dirt road off County Road 54;

***instructed the county engineer to replace bridges at Cow Branch and Armer Road after completion of a bridge now under construction;

***told the engineer to delay plans to erect a fence around the county school until the land needs of the chicken festival were finalized;

***voted to establish uniform regulations concerning the development of subdivisions in the county;

***and voted to send out bids on re-roofing the three buildings at the Farm Center complex. The bids will be opened Feb. 24.

Job Placements Increase 8% In State

Job placements by the State Employment Service increased 8 percent in December, 1985, over the same month a year ago, according to officials of the Alabama Department of Industrial Relations. The State Employment Service found over 93,000 jobs for Alabama workers through its 33 offices located throughout the state in 1985.

In addition to its regular job placement function, the State Employment Service administers a number of special employment-related programs. Special programs include the National Job Bank

System which provides nationwide exposure of employers' hard-to-fill jobs. Each State Employment office in the United States (more than 2,000) has a complete list of all hard-to-fill jobs within a few days of the openings. The openings are placed through local State Employment Service offices.

These jobs are mostly in the professional and highly skilled

categories with salaries ranging from \$7,100 to \$70,000. The system gives at least 10 days for a job order to be filled locally before it is sent nationwide for distribution on microfiche. The microfiche presently has about 4,000 job orders nationwide, containing approximately 8,000 job openings, and may be viewed in any Alabama State Employment Service Office.

Voter Registration Dates Announced For February

The Board of Registrars will be available in the courthouse annex for anyone who would like to register to vote on February 3 - 4 - 5 - 6 - 7, 10 and 11 - in Elba.

They will be in Enterprise at the courthouse on February 12 - 13 - 14, 18 - 19 and 20.

Times at both places will be 9 a.m. - 4 p.m.

MINOR INJURY REPORTED... A Saturday morning wreck at the intersection of Claxton Ave. and the new bypass resulted in minor injuries to passengers in both vehicles. Elba Rescue Squad members were called to the scene to treat the injuries; however, the injuries turned out to be minor and no one was admitted to the local hospital.

BRAINSTORMS

By Ferrin Cox, Publisher

Any idea that Gov. Wallace will decline to seek another term because of what brother Gerald said to the news media is a dream. Actually such statements are what he needs to get his blood pumping hard enough to launch another campaign. Time will tell.

Prude Crook brought by some pictures for us to look at several days ago. One was made in 1927 of a ship he was serving on at that time. Others were of wartime scenes made while another ship was being shot out from under him and his shipmates. We enjoyed the pictures and the war stories, but are still a bit awestruck realizing he was already in military service in 1927.

The race for governor in Alabama is heating up with the Democratic primary scheduled for June this year. There are some ads already on the tube, and candidates are beginning to hold meetings around the state to drum up support from those of us not on the inside of someone's campaign. We received a call this week casually inviting us to one of these meetings... we didn't make it to the meeting because we were busy trying to make a living.

I was accused of not writing this column last week just to count the comments and see if there were any loyal readers. Well, some of my friends were not enough to fuss politely, one thought the paper was better, but the vast majority didn't lose a wink of sleep over the matter. In fact the only sleep lost was when this loudmouth, who called himself a friend, woke me from my recliner chair nap about 9:30 Thursday evening demanding his money back because *Brainstorms* was left out. We tried to give him a refund a day or so later but he demanded the paper in question be returned also; but he had used it to wrap some garbage in and therefore didn't get his money back!

Talk is that England and France are about to begin construction on that long-discussed tunnel under the English Channel. We don't mean to imply that we believe you will be able to drive car across or under the channel within the next 20 years, but they are at least still dreaming of the possibility. Actually, until we get past this rage of terrorist bombings around the world, a tunnel of that magnitude would be a red flag to some of those nuts, and a carbomb at the entrance or at any point along the tunnel would be a constant threat.

The reality of the federal government trying to balance the budget by cutting spending was something most of us welcomed... that is until we see the cuts will touch our pockets... and then we howl. The reality of this touching each of us is beginning to hit home and suddenly we find folks not so strong for cutting spending... at least not in our favorite area. This may give fuel to the big government advocates that want another increase in taxes rather than cuts in services. We just hope to survive.

We are too old for some changes we are being forced to make. All our life we have known how to pronounce the name of the plant *Uranus*. Now the experts have come in within the last couple of weeks and changed the accent to the last syllable, making it sound crazy to me. Someone did the same last year to that famous comet we are all supposed to be watching right now, except they changed the sound of the first part this time. We don't like it and continue to look with a bit of suspicion upon mortal humans who have bowed to pressure and made the change also.

We are making the sudden jump to a very serious matter and that is the loss of our space program and to the families of the seven who died Tuesday when the spacecraft exploded only seconds after takeoff. We have our opinions on just what happened but it doesn't matter if we are right or wrong, those folks are dead, and the accident is the talk of a nation and probably the world. We feel for the families of those killed and agree with the wife of the flight commander: "We owe it to those who died to continue exploration of space."

Following the spacecraft tragedy Tuesday we heard some dumb questions by news media folks. One of the dumbest and absolutely immaterial was a question to White House press secretary Larry Speakes who didn't really know any more than anyone else about what happened. Some confused reporter wanted to know what Nancy Reagan was doing at the time of the spacecraft explosion! I know everyone in the room and listening on radio and TV were on pins and needles until they got the answer to that question. There is a saying that no questions are dumb if you don't know the answer, but I clarify this as an exception to that rule.

Good Tax Records Equal Easier Return Preparation

Keeping accurate and complete tax records makes tax return preparation easier, the Internal Revenue Service advises.

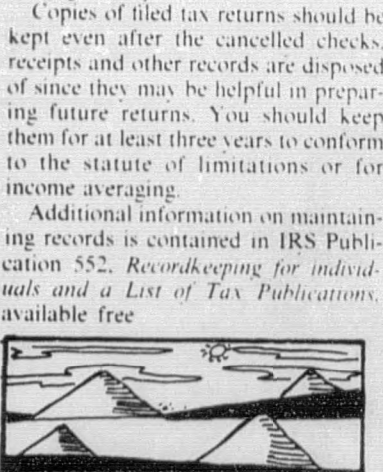

You should keep the necessary records to prepare a complete and accurate income tax return for as long as their contents may be material in administering any Internal Revenue law.

Records that support an item of income or a deduction should be kept until the statute of limitations for the return expires (generally three years from the date the return was due or filed, or two years from the date the tax was paid, whichever occurs later).

Other records that concern income averaging or property transactions (i.e. purchase of a home) should be kept for as long as they are material.

Copies of filed tax returns should be kept even after the cancelled checks, receipts and other records are disposed of since they may be helpful in preparing future returns. You should keep them for at least three years to conform to the statute of limitations or for income averaging.

Additional information on maintaining records is contained in IRS Publication 552, *Recordkeeping for individuals* and a *List of Tax Publications* available free.

Letters To The Editor

Dear Ricky,

This past year has been one to remember, as you, the various clubs, churches and individuals have responded so wonderfully to the needs of our residents - spiritually and socially - at the Elba Nursing Home. Many things were done to enlighten their days.

As we are well into the New Year, we glance back and count our blessings, for we have so much to be thankful for. The response of the public who gave untrillingly to meet the needs of our residents has been great - we humbly thank you.

We would like for you to visit our home and meet these wonderful people.

Sincerely,
LORENE BRYAN

ELBA GENERAL HOSPITAL

We, the members of the Elba Rescue Squad, would like to take this opportunity to express our thanks to all city officials and employees and all others who had a part in renovation of the old fire station into a permanent location for the Elba Rescue Squad and its equipment. We've come a long way from when we used to park on the courthouse parking area.

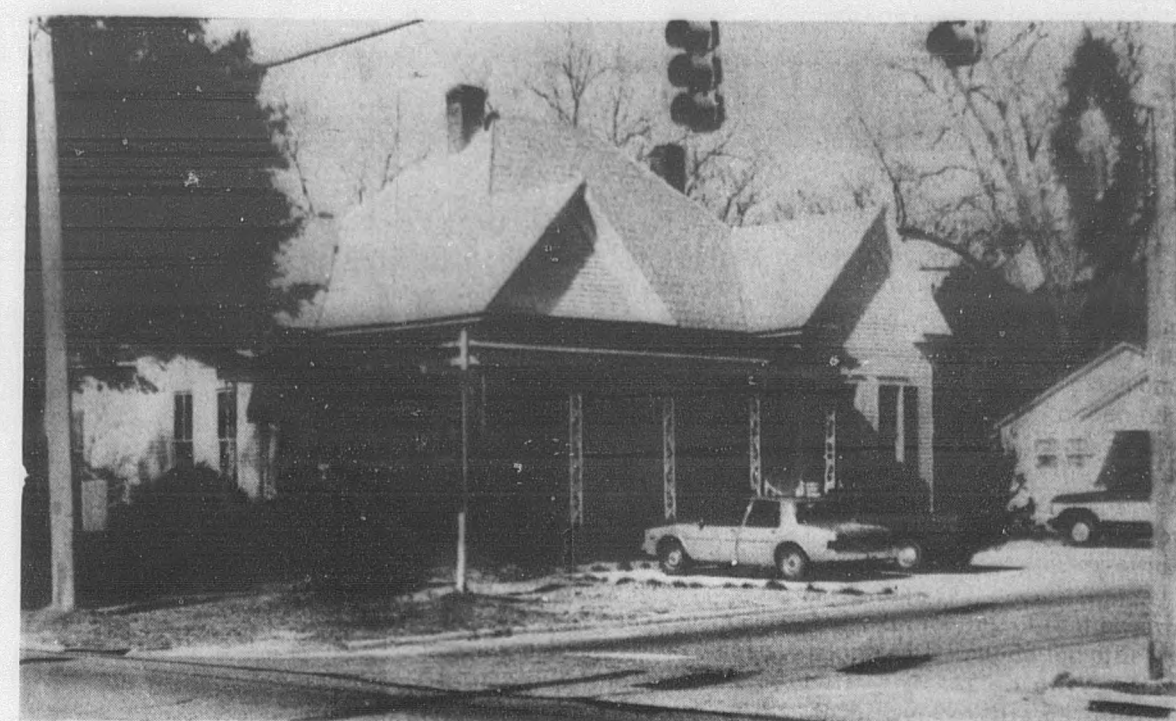

A thanks goes out to the citizens of Elba and surrounding communities for their cash donations to assist us in making the Elba Rescue Squad something we are so proud of.

We would certainly be remiss if we did not thank all present and past members of the Squad for their contributions and building. Cash savings which have allowed us to purchase a new ambulance.

We have recently purchased a new ambulance which will provide better care and transportation for our citizens. This ambulance is equipped with the most modern equipment. We now have, along with the fire department, the best facilities and equipment of any small town in the state.

We are proud of our rescue squad and its members and their dedication. I assure you that we will continue to update our professional knowledge in care for the sick and injured.

ESJC To Present Dinner Theatre

Neil Simon's three-act comedy play, "Plaza Suite" will be presented by the Enterprise State Junior College theatre group on Friday and Saturday, Jan. 31 and Feb. 1. Dinner begins at 6:30 p.m., followed by the play at 8 p.m.

We're excited about this production," Dr. Richard Snyder, chairman of the Fine Arts Division and director of the group, said. "Our cast has been rehearsing and our set design and construction crews have been laboring to create an 'old luxury hotel suite' to fit our stage," he said.

"Plaza Suite" is actually three separate plays all taking place in the

suite suite of the Plaza Hotel. George C. Scott and Maureen Stapleton starred in the Broadway production.

Members of the cast include Kim Strickland, Steven Seay, Chad Bishop, Lisa Shinault, Greg Rodriguez and Cindy Seitz, Enterprise; Kelly Thurlow, Chancellor, and Patty Kelly, Daleville.

Others working on the production include Tony Neal, Enterprise; student director, Janet Stewart, New Brockton, stage manager, and Valerie Lindsay, Ft. Rucker, lighting.

For more information about the play, call 393-ESJC.

February 22 In Montgomery

Miss Carnes
Miss Bryan Named To Dean's List

Tonya Renee Bryan, daughter of Ronald and Elaine Bryan, has been named to the Dean's List of High Honors at Huntingdon College, Montgomery, Alabama, at the conclusion of the fall semester. A grade point average of at least 3.75 on a 4.0 scale must be attained to merit this honor.

Huntingdon College, a Methodist-related, four-year liberal arts college, is celebrating its 131st anniversary and boasts an enrollment of approximately 750 students.

Miss Logan & Mr. Wordlaw Announce Wedding Plans

Miss Logan

Mr. and Mrs. Marvin Logan of Oneonta announce the engagement of their daughter, Pamela Play to Kevin Lee Wordlaw, son of Mr. and Mrs. Edward J. Roberts of Boaz.

Miss Logan is the granddaughter of Mrs. C. E. Logan, Sr. and the late Mr. Logan of Oneonta, and Mrs. B. F. Lowry and the late Rev. Lowry of Jack. She is a graduate of Oneonta High School and Snead State Junior College, where she was a member of the College Street Singers and was listed in The National Dean's List. She is presently employed by Flowers by Irene in Oneonta.

Mr. Wordlaw is the grandson of Mr. and Mrs. W. L. Wordlaw and Mr. and Mrs. B. G. Lee of Boaz. He is a graduate of Boaz High School and is attending Snead State. He was a member of College Street Singers and is in management with the VF Factory Outlet in Boaz.

The wedding will take place at Dayspring Tabernacle in Oneonta on March 15, 1986, after which the couple will reside in Boaz.

National Association Of Bank Women Meet

The Southeast Alabama Group of The National Association of Bank Women held a luncheon meeting on Thursday, January 16, at the Sheraton Inn in Dothan.

The guest speaker for the day was David Johnston, an attorney from Dothan. Mr. Johnston's topic, "Tax Reform and You," covered the effects on taxpayers of the most recent tax changes.

Two special fund raising events were held by the club to raise money for the NABW Educational Foundation. These included raffle tickets for a \$100 bill and a used book.

Mary Williams of Eufaula won the \$100 bill. The club raised approximately \$700 from these two events.

The next meeting will be held February 20 in conjunction with a seminar for area senior citizens. Subjects to be discussed are Social Security, fire prevention, film films, and urgency to vote. This seminar will be held at the Sheraton Inn in Dothan from 2:00 to 4:00 P.M. on Thursday, February 20, 1986. All senior citizens are invited to attend.

Cry Out For Help

By: MARTY HARRELSON

Do you know someone who is too proud to ask for help? Many problems derive from insisting on having our own way. When we try to live without the guidance of God, troubles often arise.

"Arise, cry out in the night; in the beginning of the watches pour out thine heart like water before the face of the Lord."

[Lamentations 2:19] It's sometimes hard to admit that our way didn't work and we need God's help. But our asking is the key to getting His help.

Junior Cheerleader Tryouts Scheduled

Cystic Fibrosis Bike-A-Thon To Be Held In Elba

A bike-a-thon is being organized by Kathy Weeks in Elba to raise money for the Cystic Fibrosis Foundation, according to Teresa DeLozier, Event Coordinator for the Alabama Chapter. The event will be held this spring.

Cystic fibrosis, the number one genetic killer of children and young adults, is fatal in every case. "We are very close to finding a cure for CF and hope to raise 165,000 for research this spring," Mrs. DeLozier said. "With chairmen as enthusiastic as Kathy we will exceed our goal," Mrs. DeLozier added.

T-shirts and other prizes will be awarded to any participant collecting over \$45. Contact Kathy at 897-3107 or 897-2813 or 897-6746 for more details.

Students under the instruction of Jackie Woods (left) inspect the new equipment recently added to the Welding Department. According to Woods, the energy and space-saving unit will allow eight students to weld from one machine. With Woods are, from left: Anthony Coleman, Elba; Ray Blocker, Elba; Swany Ziglar, Andalusia; and Anthony Kelley, Elba.

ALL AROUND COFFEE COUNTY

Tom Casaday - County Agent - Coordinator

PEANUT MEETING

Don't forget the peanut production meeting Tuesday night, February 4, in the Community Room at the Farm Center. The program will begin at 6:00.

Dallas Hartzog, peanut specialist, will be the principal speaker. Other specialists on the program include Dr. John Everest, Dr. Charles Mitchell, and Ron Weeks. I hope that a lot of peanut producers can come and attend this educational meeting.

Remember the time--Tuesday night, February 4, at 6:00 p.m.

CORN VARIETIES

Twenty-seven corn varieties are recommended for Coffee County corn producers. All of the following acceptable varieties are not equal in performance. However, all of them perform satisfactorily.

Recommended yellow hybrids are Pioneer 3165, McCurdy 8172,

DeKalb T1230, Pioneer 3147, McCurdy 8150, Coker 21, Jacques JX247, Northrup King PX95, Golden Harvest H-2580, Northrup King PX87, Funk's G-4733, McCurdy 84AA, Ring Around 1502, Paymaster 8951, and Pioneer 3320.

Recommended white hybrids include Ring Around 2606W, FFR 929W, Asgrow/Osgold RX405W, Funk's 833W, Zimmerman Z 11 W, Zimmerman Z 60 W, and Agri-Tech GK 927W.

The following early hybrids are recommended based on an exceptional 2 year average: Sunbelt 1827, Agrow/O's Gold 2570, Sunbelt 1802, and Funk's G-4614.

TWO TON CLUB

I am looking for all Coffee County peanut producers who are eligible for the Alabama Peanut Club. Folks who join this club must have made two tons of peanuts on all of the peanuts they planted. The rule states that any Alabama peanut producer on all of the peanuts they planted.

The rule states that any Alabama peanut producer whose yield is 4,000 pounds or more of peanuts per acre is eligible for membership in the Alabama Peanut Club.

I need your help. If you made 4,000 pounds or more per acre in 1985, get in touch with me so that we can get your name entered in the club. Club members will attend a banquet in Dothan in March. Help me on this.

PECAN FERTILIZATION

Don't forget to fertilize your pecans with both a mixed fertilizer and ammonium nitrate by February 1. A lot of people who have pecan trees in their Centipede lawns may want to use 15-0-15. This fertilizer which does not contain any phosphorus will keep from over-fertilizing Centipede. At the same time, pecans have relatively low requirements for phosphorus and your pecans should not suffer. So if you have pecan trees in a Centipede lawn, consider using 15-0-15 plus ammonium nitrate.

QUALITY AWARD

Another award sponsored by the Alabama Peanut Producers Association is the quality award. A cash award of \$100 will be given annually to the grower producing the highest quality of farmer's stock peanuts. Only lots of three tons or more farmer's stock Runner peanuts will be considered and quality will be determined by the price paid per ton as shown on the grade sheets (ASCS#1007).

If you have grown some peanuts that you think might win this award, get in touch with me at the County Extension Office or call me at 894-5596.

HIGH QUALITY

Several folks are interested in getting a quarter or half of a 4-H Club beef calf. Dozens of people have bought this beef in the past and were delighted with the quality and flavor of the beef.

The Coffee County Beef Calf Show will be held Saturday afternoon, March 1, at the Farm Center in New Brockton. The District Show will be held in Dothan March 5.

If you are interested in purchasing one of these steers, call us at the Extension office for more details. Our number is 894-5596.

TRACTOR SAFETY

Most fatal tractor accidents occur during the early part of the plowing season, especially turning land in January and February. According to the National Safety Council, one of the reasons for this is that tractors often get too close to steep embankments which have been weakened by winter and spring rains.

As you disk and plow land early in the year, be very careful in those fields which have steep embankments and ditches. You need to be aware that a tractor can flip over and pin you underneath. Caution family members and others who drive tractors and equipment to be extra careful in those fields where danger exists.

Jean McDaniel, H&B Block District Manager, talked to me recently about some tax changes that affect farmers. For example, farmers must file Form 1099-MISC return if they pay \$600 or more for items such as rent, machine hire or contract labor fees.

Coffee County farmers and, of course, other businesses are interested in complying with the IRS regulations. A lot of farmers need to participate in tax management which can help them to remain in business.

There are a number of tax breaks and incentives for farmers. A new on deals with machinery costs during the 1985 tax year. Another incentive is a reforestation tax break provided by Congress.

I certainly encourage all Coffee County farmers with the help of their tax consultants to become aware of and take advantage of tax payments beneficial to them.

PRUNING

Fruit plants such as apples, pears, figs, and blueberries should be pruned now. However, do not prune peaches and plums until early February. If these fruit trees are pruned during October through late January, a number of your trees will probably die. Bacterial canker and cold damage are the primary causes of tree death when pruned at the wrong time.

Peaches and plums can be pruned from February until bloom, usually in March. This is considered to be the ideal period for pruning.

Feed Your Pecan Tree....

DIXIE BRAND HIGH-Z PECAN SPECIAL

Lack of ZINC and ACID SOIL is the major crop limiting factor in home orchards. HIGH-Z DOLOMITE in one bag supplies 316 lbs. of quickly available Zinc and 45 lbs. of highest grade aglime, plus magnesium, copper, and boron. All the minerals generally recommended for pecan trees (also peach and pear trees and lawns and gardens). High-Z Dolomite is EASY to apply, and costs less than the ZINC alone in most cases.

Talk about doing nothing! Sunday afternoon I laid claim to the couch and watched a college basketball game, a two-hour pre-game show for the Super Bowl and then only got up to eat as the Chicago Bears romped past the Patriots. Now that's what I call a "Super Sunday!"

ELBA TIGERS SNAP BRIEF LOSING STREAK

Coach Hank Kennedy's Elba Tigers saw their record slip to 7-2 last week after an upset loss to Florala, but the Tigers came back to life Friday against Daleville and now appear to be over their mid-season slump that resulted in a two-game losing streak. After the losses to Opp and Florala a lot of Elba fans were wondering if the team was really as good as they had thought, and were predicting the worst for the Tigers for the remainder of the season. I've got news for ya - the Tigers are alive and well and ready to chalk up a whole bunch of wins!

Elba center Kevin Goosby injured his ankle in the loss to Opp and his absence in the next game against Florala hurt both the team's experience and confidence. Elba isn't a one-man team by any means; however, when a player of Goosby's talent doesn't play, the other players seem to lack the confidence it takes to win in a hotly contested game. Against Daleville, Goosby and fellow starter Derek Young were both in the stands and everyone thought the Tigers were in trouble again. Boy were they wrong! Elba got after the Warhawks from start to finish and really looked super as it rolled to its most lopsided win in years. The Tiger started three 5'9" guards, a 6' forward and a 6'11" center against the tall Hawks, but ran and ran and ran, and in the process ran Daleville off the court! The win showed the fans - and the players - that the Elba Tigers can win if they just believe and give it all they've got. Congratulations Tigers on a great win!

Elba forward Mick Phillips played only a little over half the game against Daleville, but poured in 39 points and had a shot at breaking Johnny Martin's school record of 49 points. Coach Kennedy pulled Phillips out to prevent any chance of injury, and rightfully so; however, it would have been fun to see him chase the record.

COUNTY BASKETBALL CONTINUES TO SIZZLE

The 1985-86 basketball season has been a good one for fans in Coffee County, and last week was once again filled with its share of good games. Here's a quick look at how the three county teams fared:

***Zion Chapel clinched the Area 4 regular season crown with a win over Goshen, and the Rebels are playing their best ball of the season at the most important time. The Rebels weren't given much of a chance early in the season, but have finally put it all together and are a team to keep an eye on. ***New Brockton slipped up again last week, but picked itself up to claim an important Area win and still has to be the team to beat in the local 2A circles. The Gamecocks can be awesome at times and will put it all back together prior to the tournament. ***Kinston continued to show improvement last week and are still my pick to be the surprise team come tournament time. The Bulldogs don't expect to lose to anybody, and when you play to win, you usually do just that.

IF IT WOULD HAVE BEEN A FIGHT THEY WOULD HAVE STOPPED IT

I watched every bit of the Super Bowl and agreed with one of the announcers when he said if it had been a fight they would have stopped it! The Chicago Bears made a lot of noise all season long and got a lot of people to like them, but the Bears proved they were the best and I for one was pulling for them all the way. I'm a fan of the "Black and Blue" division from way back, and think Chicago's Super Bowl win was a tribute to a team that played football like it is supposed to be played!

COUNTY JUNIOR HIGH TOURNAMENT STARTS TONIGHT

The second annual Coffee County Junior High Basketball Tournament starts tonight in Elba and I would like to once again encourage all basketball fans to come out and watch these young players fight for a county title. The Elba High and Elba Junior High Athletic Club and all proceeds go to the Elba High and Elba Junior High basketball programs. So, come on out and watch the teams in action and help out Elba basketball at the same time. See ya there!

FOOTBALL AWARDS BANQUET SET FOR NEXT WEEK

The award-winning Elba Tiger football team will be honored next week when the Athletic Club and Elba High School sponsor the annual Football Awards Banquet. The 1985 football season was one that will always be remembered, and all Tiger fans are invited to attend. Tickets are on sale at the school until Friday, and then it's too late - so get your tickets now and join in on the celebration next week.

New Brockton Dominates All-SEAC Grid

Team, Boutwell Named Coach Of The Year

The South East Alabama Conference released its All-Conference football team last week and 2A champ New Brockton and 1A champ Dozier dominated the squad

with four selections each. Named to the squad were: Calvin Daniels, Gary Williams, Andre Burnett and Vernon McTeer of Dozier; Roland Hall, Ron Whitehurst

and Don Whitehurst of Red Level; Bobby Hill, Richie Rugg and Greg Little of Zion Chapel; Chris Wilkes, Ricky Bray and Bart Snyder of Goshen; Stefan Knox, Keith Patterson, Derek Smith and Kenneth Deaton of New Brockton; Paul Folmar, Glen Barnes and Hugh Helms of Kinston; and Keith Dorsey, Kyle Flowers and Bernard Foster of Brantley.

Coaches-of-the-Year honors went to Leavy Boutwell of New Brockton (2A) and Charles Sexton of Dozier (1A).

State Basketball Tournament To Be Split In 1986

The Alabama High School Athletic Association has announced that the 1986 State Basketball Tournament will be split, with Classes 1A-2A-3A to be held at Auburn University, and Classes 4A-5A-6A to compete at the University of Alabama at Tuscaloosa.

Both tournaments will be held Feb. 27 - March 1 and eight teams will compete in each class. The three-day tournament will necessitate Class 1A at Auburn and Class 4A at Tuscaloosa, playing semi-final games Saturday morning and finals Saturday night.

The entire tournament, involving all six classes, was originally set for Tuscaloosa Feb. 24 - March 1; however, Supt. of Education Wayne Teague refused to approve the week-long tourney under his Plan for

Excellence; so an alternate plan was adopted using the split-site format.

Hunting Carelessness Draws Criticism From State Director

Two hunting accident deaths over the December 7 weekend, one involving illegal hunting and the other which appears to be gross carelessness, evoked strong criticism from Game and Fish Director Charles D. Kelley.

Kelley took strong issue with poachers who display actions should not be confused with that of ethical sportsmen hunters.

Kelley also drew aim on hunters who fail to use common sense in exercising hunting safety, saying

they along with poachers should be brought in line or eliminated from the sport of hunting. Kelley questions how any reasonable hunter can fire at any target without positively identifying it or clearing the line of fire before pulling the trigger.

So far, this hunting season has evidenced a total of 17 hunting accidents, 4 fatal and 13 nonfatal, as of December 8. All four fatalities and 9 of the other accidents were caused by careless deer hunters.

The overall figures for 1985, during the comparative period, are somewhat lower. Kelley says that is really no cause to lessen the concern because it still indicates a needless loss of lives, lives which could have been saved with the exercise of some common sense.

Common sense dictates shooting only at a positively identified target and making certain nothing is in the line of fire before and beyond it.

Kelley stressed that common sense also dictates treating every firearm as if it were loaded, staying out of the line of fire of hunting companions and controlling the muzzle of any gun to avoid it posing a threat to anyone.

All firearms should be unloaded before climbing trees or crossing fences, ditches or streams, while taking breaks, when hunting is concluded or when entering or leaving vehicles and buildings, cautioned Kelley.

Team Competition To Be Allowed In Crippled Childrens Bass Tourney

Team competition will be permitted in the first annual Shriners Hospital for Crippled Childrens Bass Tournament on Lake Seminole March 8 and 9, as announced by tourney officials.

Six-man teams may compete for one of the 40 tournament prizes. Each team member will fish with a non-team member partner selected in the open drawing for partners. However, the weight of each team

member will be combined in computing the team total, and prizes will be awarded on the basis of the most team pouage.

Headquarters for the tournament will be at Wingate's Lunker Lodge at Hutchinson Ferry Landing on Lake Seminole. The lake will be off limits to fishing on March 7. Drawings for partners will be held the evening of March 7 at the Bainbridge Shrine Club.

Football Awards Banquet Set For Feb. 6 At Elba High

The 1985 Elba Tiger football team will be honored on Thursday, Feb. 6, at 7 p.m., when Elba High School and the Elba Athletic Club sponsor the annual Football Awards Banquet at the high school cafeteria.

A delicious steak supper will precede the actual award presentations, and tickets to the event are \$5

each. All Black and Gold Club members will be admitted free; however, members must make reservations prior to the Jan. 31 deadline. To make reservations, contact Ricky or Kathy Mularz at 897-5977.

Elba Tigers Bury Daleville 95-45

The Elba Tigers clinched the regular season Area 3 basketball championship last Friday night by clobbering the Daleville Warhawks 95-45, at the Elba High gym.

Floralda Upsets Elba 59-55

The Floralda Wildcats converted on numerous three-point plays in the second half to post a 59-55 upset win over the Elba Tigers, last week in Elba.

The fast-paced Wildcats came out running and gunning and pulled out to a quick 10-4 lead before the Tigers rallied late in the half to pull even at 24-24 at intermission. The two teams swapped buckets for much of the third and fourth quarters, with neither team being able to open up a comfortable lead. Elba rallied late in the game and pulled within 56-55 with 49 left and had a chance to pull even with a free-throw, but the Wildcats converted a three-point play following the missed free-throw and the Cats had the win.

John Osburn scored 23 points to lead Elba, while Mick Phillips added 17. Leroy Wheeler scored 22 for

The win upped Elba's record to 8-3, 3-0 in Area 3 action and wrapped up a spot in the 4A sub-state tournament for the Tigers.

Elba's Mick Phillips passes around a defender in a recent Elba win. Phillips is a 6'11" senior, poured in 39 points Friday night against Daleville to help the Tigers snap a two-game losing streak. Elba defeated Daleville 95-45 to clinch the Area 3 regular season championship.

Kinston Clips Brantley 55-54

Travis Carney hit the second of two free-throw attempts with :01 left in the game to lift the Kinston Bulldogs to a 55-54 win over the Brantley Bulldogs Friday night at Brantley.

The win was Kinston's fifth one-point win of the season and gave the Bulldogs an 8-8 record.

Kinston pulled out to a quick 6-0 lead in the game and, sparked by the shooting of Paul Folmar and Dodd Hawthorne, owned a 26-22 advantage at the half.

The Bulldogs' lead ballooned to 14 points in the third quarter and it looked like a blow-out, but Brantley refused to quit and rallied to pull even at 50-50 late in the final stanza.

The score was tied at 54-54 with :12 left and Kinston worked the ball for the last shot. Folmar took a shot with :03 left and missed, but Carney got the rebound and was fouled as he shot.

Carney missed the first free-throw and his second shot hit the back rim, bounced high in the air, hit the rim again and then rolled in to give Kinston the win.

Paul Folmar scored 22 points to lead Kinston, while Travis Carney added 9 and Hugh Helms and Dodd Hawthorne both scored 8. Jeff Legg led Brantley with 14.

PROGRAM AND TRIBUTE
A memorial tribute to the late Dr. Martin Luther King Jr. was a memorable occasion Monday, January 20, at 6 p.m. at the Mulberry District Educational Building, Elba.

I definitely was waiting for the program to begin, and as the choir and audience sang the Negro National Anthem - Lift Every Voice and Sing, accompanied with Mrs. Mayne Patton at the piano and Mrs. Annie P. Bullard at M.C., our voices were ringing with the harmonies of liberty. That the prayer by Rev. E. Freeman and singing were full of the faith that the dark past has taught us, and full of the hope that the present has brought us, and God of our weary years and silent tears has brought us this far on the way.

As Mrs. Gladys Yelverton gave tribute to Dr. King, Junior Music Lovers Club met Thursday night in the home of Sara Ward. Other hostesses were Cheryl DeVane and Jackie Snellgrove. They served delicious refreshments to Janet Murphree.

Remember - February is Black History Month!
Within these walls of time And by God's strength and help Each one must carve his life A statue of himself.

Soon we'll be through and gone And friends, bereft, will grieve, But statue of our lives We'll be required to leave.

So let us chisel here With every act of duty, A masterpiece of art, A shrine to truth and beauty. **Perry Tanksley**

WHERE I SAW GOD
Today I saw a man Freezing in a storm, And I gave him my coat And made him very warm.

Sen. Hinton Mitchem Seeks Lt. Governor's Post In State

Promising to measure up to the people's standards for the position, State Senator Hinton Mitchem has launched his campaign for lieutenant governor, by pledging three ways he felt he could help all Alabamians:

1. By bringing order to the Alabama State Senate.

2. By creating a climate that will bring jobs to Alabamians, and

3. By promoting a progressive government that will bring prosperity, and care for those who are unable to care for themselves.

Mitchem, who is chairman of the Senate Committee on Finance and Taxation, said jobs, more and better jobs, are the basis for a growing economy.

"A Lieutenant Governor" Mitchem said, "Who is independent of the special interest, and who works to improve the business climate in Alabama can bring control of the senate back to the people, and jobs to Alabama where they belong."

Mitchem said he was tired of the Saturn plant going to Tennessee, factories finding home in Florida, Manufacturers moving to Mississippi and Georgia getting good jobs.

"We need good jobs in Alabama," Mitchem said. More jobs, according to Mitchem, are a mark of prosperity. Other says a state prospers, is by caring for its elderly, by people being able to afford education, by the young's ability to get an education, and part-time employment, and by finding new and

better markets for our farmers. Economic progress means people being able to buy a home, buy a car, get new job training and by creating opportunities for the less fortunate, Mitchem said in his announcement.

The first step in gaining economic progress, Mitchem said, is by removing the special interests from the senate.

Mitchem said that his service in the senate had convinced him that he needed for senate leadership to change the way the senate carries on.

"It's time the leadership cracked the whip," Mitchem said.

"Liberal special interest leadership" should no longer be allowed to control the senate," he said. "The senate belongs to the people. Let the voice of the people be the voice of the senate."

Mitchem made his announcement in Huntsville, Birmingham, Mobile, Montgomery and Dothan.

Some 30 supporters accompanied Mitchem and his family in their five-city announcement stops which concluded in Dothan, where his supporters entertained at a reception after the senator's news conference.
